To: Previous APG PAC Golf Tournament Participant

From: Dr. Robert Lake
American Pistachio Growers PAC Chairman

American Pistachio Growers Pistachio Political Action Committee (APG PAC) is preparing for its 2024 Annual Meeting, Golf Tournament and PAC Breakfast. These activities have been a part of the pistachio industry long enough that they are now expected and regarded as an annual tradition. The U.S. Federal Election Campaign Act, however, requires the APG PAC to ask for **your signed permission** to send you information about these activities.

The [Federal Election Commission](#) (FEC) regards the golf tournament and the breakfast that follows it the next morning as a political activity. By extension, the FEC considers APG PAC providing you with information on these activities as a solicitation for political contributions. As such, before we can accept your golf registration form, we need your signed permission. FEC mandates that the PAC obtain this permission for each annual golf event. **Therefore, individuals will not be able to play golf unless this form is signed and returned.** To avoid an annual request, please sign each line below authorizing the PAC to solicit you and anyone you designate to receive information for the calendar years listed, and return to APG's office by fax at **559-475-0624** or e-mail it to **NFoin@AmericanPistachios.org**.

APG PAC is authorized to solicit me and my employees, stockholders, and their families of **COMPANY** in accordance with FEC Regulation 114.8(c) for the following calendar years:
